

To The King

Grace Church Worship

We gather to exalt the Lamb as Lord
His covenant with us to be adored
We give You the praise

Our voices join in melody and song
to celebrate all the Lord has done
We give You the praise
We give You the praise

Hallelujah, Our God has made a way
through the precious blood
of Christ the offering
Hallelujah, there's victory in His name
now we sing our song of worship to the King

We come to lay our kingdoms at Your feet
and edify the gathered who believe
we give You the praise

Our hope is in the promise of Your Word
We eagerly await our King's return
We give You the praise
We give You the praise

Let our voices rise into Your courts
and creation tell of all You've done
Oh Jesus, You are the risen One
All glory and praise be unto Your name
